(February 5, 2021) - Liberty Hardware®, a division of Masco Corporation, and leader in decorative and functional hardware for the home was honored with a 2021 Platinum ADEX Award for Closets By Liberty™. ADEX (Award for Design Excellence) is the largest and most prestigious awards program for the design of furniture, fixtures and finishes marketed to the design trade. Closets By Liberty™ was selected for this award by a panel of industry professionals.

Closets By Liberty™ is an innovative and customizable closet organization systems that allow you to customize your available closet space and put it to the best use. The system is as dynamic as you are and can be installed by one person in a single afternoon, it's that easy. Designed to be a worry-free choice, position or adjust components within the closet system to accommodate the items you need to store during installation, system-use or through the lifetime of your storage needs.

The Closets By Liberty™ system is supported by the floor of your home and features built in ASTM compliant anti-tip brackets that anchor the system to the wall to prevent tipping, for safer closet storage and organization. The 1 in. projection of the system from the wall was designed to allow for floor molding on the back wall of your closet. The closet tower framework is crafted from high-strength aluminum for safety and durability. Driven by consumer research, every detail of Closets By Liberty™ is customizable closet system was built to reflect your needs, offer practical solutions to your organizational woes and to provide an easy and secure installation experience. Available in 4-Foot, 6 Foot, 8-Foot and 10-Foot configurations.
