

Winston-Salem, N.C. (July 29, 2020) - Liberty Hardware®, a division of Masco Corporation, and leader in decorative and functional hardware for the home has won the 2020 Golden Hammer Award from Hardware + Builder Supply Dealer Magazine for its Adjusta-Pull™ cabinet hardware.

The Hardware + Builder Supply Dealer's Golden Hammer Awards recognizes the best of the best new products in the home improvement industry, focusing on the latest product innovations, technology, product differentiation, best values and shelf appeal.

"We're very excited and honored that Liberty Hardware's passion for developing meaningful design and innovation is being recognized with a Golden Hammer Award for our Adjusta-Pull Cabinet Hardware," said Gail Jacobson, CMO, Liberty Hardware.

This innovative cabinet hardware collection was designed for consumers looking for a unique size cabinet pull to fit non-standard spaced holes. There's no need for special hardware sizes, cabinet repair supplies or wasted time drilling more holes because Adjusta-Pull™ cabinet hardware adjusts to fit your needs. Simply place the screws in your drilled holes, slide the Adjusta-Pull™ Cabinet Hardware over the screws and tighten into place with the supplied special tool.

Adjusta-Pull™ cabinet hardware pulls come in two sizes and multiple styles, along with matching cabinet knobs, and are available in multiple trend-forward finishes. Additional styles will be launching this fall.
