

**Winston-Salem, N.C. (June 8, 2020)** - Liberty Hardware®, a division of Masco Corporation, and leader in decorative and functional hardware for the home was honored with a 2020 Platinum ADEX Award for its Adjusta-Pull™ cabinet hardware. ADEX (Award for Design Excellence) is the largest and most prestigious awards program for the design of furniture, fixtures and finishes marketed to the design trade. Adjusta-Pull™ cabinet hardware was selected for this award by a panel of industry professionals.

This innovative cabinet hardware collection was designed for consumers looking for a unique size cabinet pull to fit non-standard spaced holes. There's no need for special hardware sizes, cabinet repair supplies or wasted time drilling more holes because Adjusta-Pull™ cabinet hardware adjusts to fit your needs. Simply place the screws in your drilled holes, slide the Adjusta-Pull™ Cabinet Hardware over the screws and tighten into place with the supplied special tool.

Adjusta-Pull™ cabinet hardware pulls come in two sizes and multiple styles, along with matching cabinet knobs, and are available in multiple trend-forward finishes. Additional styles will be launching this fall.
